CRUISE SHIP INCENTIVE PROGRAM 2020-2021

The Port of Portland Maine is introducing an off season incentive program to encourage summertime cruise ship visits. The current program expires 1/1/2018. However, we will honor the current program through 2019.

FOR SHIPS CARRYING OVER 1000 GUESTS

The incentive plan would reward the cruise line based on the month of the ship visit.

Seasons 2020-2021: Vessels carrying 1000 passengers or more will receive \$1000.00 USD incentive for visits during the months of May, June, July and August at the Port.

Seasons 2020-2021: Vessels carrying 500 to 999 passengers or more will receive \$500.00 USD incentive for visits during the months of May, June, July and August at the Port.

Seasons 2020-2021: No incentive for vessels carrying less than 499 passengers.

ALL INCENTIVES WILL BE PAID AT THE END OF THE CRUISE SEASON IN ONE PAYMENT.
